

PACKAGED OFFERINGS FOR TECHNICAL TRAINING

“Our people learn technical aspects from Symantec Education that we would never learn on our own. The solution is not complete without the training package.”—David Pikelny, Network Manager, Berdon LLP

WHO WE ARE

Symantec Education provides a full range of learning services, including technical training; IT best practices education, and comprehensive services to manage training programs. This enables organizations to manage IT risk and ultimately operate with confidence in a connected world.

WHY EDUCATION

- Faster, more successful product implementation
- Better return on security, data protection, and system availability investment
- Less dependence on Technical Support

PACKAGED OFFERINGS FOR TECHNICAL TRAINING
