

Symantec Education Services—Education Pack

When you're properly trained on Symantec software, the fundamentals of IT risk management—optimized IT infrastructure, reduced IT risk, and optimized service delivery—become tangible bottom-line benefits.

Make the most of classroom and online training with your choice of flexible pre-purchase options from our integrated Symantec **Education Pack**.

PRACTICAL BENEFITS

- **Get More Flexibility**—Plan for training without providing student names or choosing courses or dates in advance.
- **Stretch Your IT Budget**—Choose three or five days of training and additional Web-based self-paced courses (valued at up to \$1,250 USD) are free!
- **Eliminate Red Tape**—Save time and effort spent approving training purchases later in a year.
- **Get a Head Start on Learning**—Get a jump on prerequisite knowledge before attending classes by taking advantage of additional Web-based self-paced training included with your Education Pack.

CHOOSE THE EDUCATION PACK THAT'S RIGHT FOR YOU AND RECEIVE FREE WEB-BASED TRAINING
