#### Symantec Education Services can provide a full range of learning services additional to our public schedule. See below for options available.

**Dedicated/Bespoke Training:** Training can be delivered on-site at your location or at our offices. For on-site training Symantec can provide equipment either using our mobile kit or using remote labs.

**Virtual Academy:** An on-line learning environment with a live instructor.

**Self-Paced Training:** CD-ROM and Web-Based Training (WBT)

#### Symantec Education Services can also provide flexible discounted training options depending on your training requirement.

**Education Pack (Ed Pack)** - 2, 3, 4 or 5 day options available to use within 6 months of purchase.

**Included in 2 & 3 day Ed packs:** High Availability Concepts, Disaster Recovery Planning and Backup and Restore Concepts web-based courses.

**Included in 4 & 5 day Ed packs:** The above included for 2 & 3 Ed packs plus Storage Area Network Concepts and Storage Virtualisation Concepts web based courses.

**Corporate Pass** - 30 or 50 day options available to use within 12 months of purchase.

Ideal for larger IT teams with complex training needs. Save up to 10% & 12% with 30 & 50 day corporate passes.

**Volume Purchase Agreement:** Ideal for companies with a large training requirement in excess of 50 days.

Discount and training period is defined on the number of days training required.

#### Symantec Certification Program - Get Certified!

For more information on the Symantec certification program, visit: <http://go.symantec.com/certification>.
