Symantec Education Services can provide a full range of learning services additional to our public schedule. See below for options available.

Dedicated/Bespoke Training: Training can be delivered on-site at your location or at our offices. For on-site training Symantec can provide equipment either using our mobile kit or using remote labs.

Self Paced Training -Web Based (WBT)

Symantec Education Services can also provide flexible discounted training options depending on your training requirement.

Symantec Education Training Credits: Purchase of credits as many as needed in a single transaction, then utilise those credits over a 12 month for any Symantec Education Services offering including public classroom training, onsite training (private), and self-paced training

Education Training Bundles Program: Pre-packaged learning components to purchase the right level of training for individual's needs, example a combination of instructor led training, on-demand instructor led training, eLibrary and certification. Save up to 35%
