### The coverage model for the program is easy:

- Schools' (K-12th grade, preschool, pre-college/pre-university) count calculation is based off all eligible workstations and/or servers.
- Campus' (higher education) count calculation is based off full-time equivalent for faculty/staff.
- Student Use Option count calculation is based off full-time equivalent students.

### Full-Time Equivalent (FTE) Calculations

#### Faculty/Staff Count:

Full-time Faculty (= to 1 FTE)  
Part-Time Faculty (= 1/3 of a FTE)  
Full-Time Staff (= to 1 FTE)  
Part-Time Staff (= to 1/2 of a FTE)  
**FTE Faculty/Staff Baseline**

#### Student Count for Student Use Option:

Full-Time Students (= to 1 FTE)  
Part-Time Students (= 1/3 of a FTE)  
**FTE Student Baseline**

## Symantec Licensing Program: Academic Subscription Program

### Symantec Academic Subscription makes it easier than ever to renew

Renewing the academic subscription contract allows academic entities easy access to expertise, innovative support technology, and customer advocacy available through Symantec's Essential Support. With Symantec Academic Subscription, the process has been improved to allow customers to easily renew their Symantec contracts.

- Automatically renew yearly contract with timely order placement
- Customers are notified 60 to 90 days in advance that their subscription contract is coming up for renewal
- Symantec partners are notified at the same time as their customer to provide renewal support and information at the time of the notification
- Ability to move to perpetual at end of contract
